## Camp Glenburn Endowment Fund

Since 1928, Camp Glenburn has been empowering youth through outdoor education, creativity, leadership and skill development. The camp has been a treasured memory for everyone who has attended over the past 93 years. It is non-denominational, and open to everyone. Camp Glenburn is an important asset of the YMCA of Greater Saint John and committed to keeping Camp Glenburn operational for years to come.

Every year the YMCA's Strong Communities Campaign fundraises over \$50,000 for children and youth to attend overnight camp. This opportunity to attend overnight camp is life changing for many of the campers. They are encouraged to try new things and truly be themselves. They develop leadership skills, increase their self confidence, self esteem and personal growth. At camp the children are unplugged, engaged and active. They are introduced to new outdoor experiences including canoeing and the high ropes course as they are challenged to participate in new activities in a safe and supportive environment.

**The YMCA of Greater Saint John Endowment has established two funds specifically for Camp Glenburn. The establishment of these two funds will secure the future of Camp Glenburn and the positive impact it has on the lives of youth.**

### The Camp Glenburn Camper Sponsorship Fund

This will ensure that Camp Glenburn is accessible for all children and youth for future generations to come.

**Funds raised through the Camp Glenburn Camper Sponsorship Fund will support:**

Each year 100's of kids come to Camp Glenburn and make memories that last a lifetime. For many it is the highlight of their summer.

- Expanding camper sponsorship numbers
- Extend to offering 10 weeks of summer camp
- School field trip sponsorship

\*The Glenburn Camper Sponsorship Fund must grow to a minimum of \$25,000 in capital before any disbursements will be approved. The annual investment income from the fund will be available for disbursement on an annual basis to support youth attending camp.

# Secure the future of Camp Glenburn

*for future generations*

The Camp Glenburn Innovation and Capital Fund along with the Camp Glenburn Sponsorship fund will continue to grow in perpetuity and provide financial support when needed.
